The bottles, designed by Coty in collaboration with Marc Jacobs, feature a weighted glass base and a glossy white cap. As highlighted by the advertising campaign, shot by renowned photographer Alasdair McLellan, these sleek bottles easily fit in the palm of the hand.

The Daisy Petal bottles each feature the iconic daisy chain pattern in contrast with an elegant gold foil trim, while the outer cartons complement the color of the different fragrances inside.

These cute, compact packages will inspire fragrance lovers to collect all five.
