

# Cross takes inspiration from its Classic Century designs

By **Hibah Noor** on March, 26 2013 | Gifts & Children's Products

Writing instrument and accessory company Cross has added to its successful Cross Classic Century design by introducing a fountain pen and rolling ball pens.

The innovative slim design includes a twist off cap that can be securely attached at the base of the pen ensuring optimum comfort and a smooth writing experience.

The new Cross Classic Century designs are available in Black Lacquer, striking Chrome, as well as Medalist and matte Classic Black (both with 23kt gold plated appointments). Available in ball point (US\$30-\$55 SRP), new gel rolling ball (US\$40-\$65 SRP) and new fountain pen (US\$50-\$75 SRP).

As with all Cross writing instruments, the Cross Classic Century collection comes with a lifetime mechanical guarantee.

Available now in stores internationally and online at [www.cross.com](http://www.cross.com).
