Bottega Spa's 20cl bottles of Bottega Gold and Bottega Rose Gold Prosecco are carried on 27 airlines

Bottega Spa has introduced 20cl bottles of its Bottega Gold and Bottega Rose Gold onboard 13 airlines in 2018, bringing its total number of airline listings to 27.

Sandro Bottega, owner and Managing Director of Bottega Spa, said: "Our 20cl bottles are proving a valuable addition to our range. They tap into the increasing trend for treating and instant gratification and have particular appeal to the all-important millennial consumer. They are, of course, ideally suited for the travel market as they are easy to handle and serve onboard and are perfect for passengers looking for a single serving of Prosecco."

The latest listings for Bottega Rose Gold 20cl are easyJet and Vueling, while Bottega Gold 20cl is available on Air Iceland Connect, XL Airways (the first time Bottega has been listed on a French airline), Aegean Airlines, Virgin Australia and Canadian Flair Air.

Bottega Gold and Bottega Rose Gold 20cl are also carried onboard Ukrainian airline Bravo Airways and WOW Air.

Bottega's Prosecco Glamour Set, containing two mini Prosecco bottles, is available on Far Eastern Transport, Jet Airways India, Air Macau and Alitalia (as a special offer for Christmas).

Bottega offers four wines in a 20cl format – Bottega Gold, Bottega Rose Gold, Il Vino dei Poeti Prosecco DOC Brut and Il Vino dell'Amore Petalo Moscato. They are available in a range of pack sizes holding two, four and six bottles.
