Guarulhos Airport recently announced that World Duty Free Group is in the running for the concessions management contact at Guarulhos Airport's Terminal 3.

The airport also noted that a decision is likely to be made this month. The winning company will manage a store with an area of 6,000 square meters.

"The Spanish company has experience in the airport of Belem, Brazil, and about 570 other stores in 137 airports in 20 countries," Guarulhos Airport said. According to the company's President, José Maria Palencia, Guarulhos Airport is a priority for World Duty Free Group, as it is the largest international airport in Brazil.
