During this period, a total of 25 DFS and T Galleria by DFS stores will be transformed into a whimsical wonderland of beauty treats, featuring exclusive products and exciting experiences from more than 40 leading brands.

This year’s theme is “Your One-Stop Beauty Destination”, which offers travelling customers a specially curated range of make-up, skincare and fragrance products, grouped into three beauty moods: City Nights, Beach Getaway and Nature Escapes.

As with previous First Class Beauty campaigns, these products will be available at DFS stores worldwide from August 1 to 31. Participating stores will host a series of special events to enhance the enjoyment of discovery in every customer’s journey.

Commenting on the campaign, Christophe Marque, Senior Vice President Beauty of the DFS Group said: “With the discerning traveller at the heart of all we do, we have put all our efforts into developing experiences and products that respond to their needs with creativity and flair. This year’s First Class Beauty reflects three travel moods that inspire a wide spectrum of make-up looks and beauty regimes.”
