

# Changi Airport Group calls for western fast food concession tender

Singapore's Changi Airport Group is looking for established operators and market leading fast food brands to run a Western fast food concession at its Terminal 3

Singapore's Changi Airport Group (CAG) is inviting companies to participate in a Direct Marketing Exercise for a Western fast food concession at the Departure/Transit Lounge North, Mezzanine level of Terminal 3.

CAG said that it is looking for established operators and marketing leading fast food brands to provide a "unique and interesting menu line up, customer-centric service and incorporate an exciting store concept to complement and bring hype to the existing F&B mix in Terminal 3." The concession is around 233 square meters and the tenancy period will run from 9 January 2020 to 8 January 2023, with an option for a 3-year renewal at CAG's discretion.

The direct marketing exercise will open on June 19 2019.
