

APTRA to host Exchange and Networking event in Singapore

APTRA President Sunil Tuli will welcome the travel retail community to the APTRA Exchange

APTRA has announced it will host an exchange and networking event in association with Tax Free World Association (TFWA), on Tuesday 10 May 2022, from 4-6 pm at Marina Bay Sands in Singapore.

This event, which will be moderated by John Rimmer, Managing Director of TFWA, will focus on knowledge sharing on key topics of interest to the travel retail community in Asia Pacific.

The APTRA Exchange is open to all APTRA members and non-members attending the TFWA program.

Following the decision to change the Singapore event to focus on networking, APTRA President, Sunil Tuli stated: “We understand how difficult it has been for TFWA to cancel the exhibition, given the situation in Hong Kong and mainland China and the knock-on effect on international travel. However, we are delighted to announce that, with the support of TFWA, we will host the APTRA Exchange on 10 May, during the TFWA program. APTRA is committed to providing valuable insights, knowledge-sharing and networking opportunities for our members and the wider industry across the wider APAC region. This is a well overdue and eagerly anticipated opportunity for people to come together and do business at its best, in person.”
