

# TFWA Management Committee elections take place end of month

Traditionally held every two years during the TFWA World Exhibition & Conference, the TFWA Management Committee 2020 elections will take place this September via a secure online platform

TFWA's 2020 Management Committee elections will be held on September 28, with voting taking place in three product sectors: Wine, Spirits and Non-Alcoholic Beverages, Electronics and Travel Accessories and Confectionery, Fine Foods and Food Supplements. Voting is open to all TFWA members in these sectors.

The TFWA Management Committee elections traditionally take place every two years during the TFWA World Exhibition & Conference in Cannes. However, due to current circumstances, TFWA will this year vote via a secure online platform, details of which have been sent to members via e-mail. Voting will open on September 28 at 06:00 CET and will close at 18:00 CET.

TFWA will also host its next AGM on October 1 and 2. The Annual Report for 2019-2020 will be presented to TFWA members by video conference on October 1, after which members will be invited to approve the various resolutions including the Management Committee for 2020-2022 via the online voting platform.

The TFWA Presidential election will be held during the Management Committee meeting, which will take place in December.
