

Abu Dhabi Duty Free introduces home delivery

Abu Dhabi Airports Duty Free has launched a new home delivery service, allowing residents across the UAE to buy Abu Dhabi Duty Free products from their homes.

Residents can choose from a wide selection of items from leading international brands and have them delivered to their door.

The Abu Dhabi Duty Free website allows residents to register for an account, shop for duty free items, pay for them online through a secure gateway, and then have them delivered anywhere in the UAE.

Customers can also create Wish Lists of products to be purchased later. All purchases are delivered by Aramex according to the customer's delivery preferences.
